Pam Miller  
*Executive Director*

## Indian Lake's Got Talent!

With Memorial Weekend a few weeks away, the Chamber is busy with events kicking off the summer season. Later this month, the first of Indian Lake's Got Talent auditions will be held.

People ages 12 - 18 and 19 - 100 can participate in this year's event. The competition is open to any kind of talent. However it may not include obscene or potentially offensive behavior and/or language. Participants will be judged on Stage Presence, Talent/Ability, appearance, the "WOW" Factor (audience reaction), and originality.

Each audition site will send one finalist from each age division. Finals will be at Old Field Beach on July 4th at approximately 3:30 p.m.

May 24	7 p.m.	Brother's Bar & Grill
May 30	8 p.m.	The Landing
May 31	2 p.m.	The Moose Lodge
June 3	7 p.m.	Eagles 3615
June 4	9 p.m.	Captain's Point
June 10	7 p.m.	Eagles 3615
June 17	7 p.m.	Eagles 3615
June 20	7 p.m.	Indian Head Road House BBQ
June 21	1 p.m.	Fisher's Flea Market
June 24	7 p.m.	Eagles 3615
June 27	12-2 p.m.	Lakeview Car & Craft Show

## Don't Miss Out

Entry forms for 2009 Summer Events can be downloaded from the Indian Lake Chamber website. The Indian Lake FUNd ride has added a 15 mile family ride this year. The 100 mile ride around Logan County has been eliminated. The ride begins at 8 a.m. on Saturday, June 13 from Old Field Beach. Pre-registration is \$10 and \$12 the day of the ride.

Entry forms are also available online for the 4th of July Pageants. Beach Baby is for all children up to 2 years old; Mr. & Miss Firecracker is for ages 3 - 5; Little Miss Indian Lake includes ages 6 - 9; Jr. Miss Indian Lake ages 10 - 13; and Miss Indian Lake candidates for ages 13 - 18. In addition to online, entry forms are available at the Chamber office, Health Mart and Indian Lake Schools.

Chamber Membership Applications are available online at [indianlakechamber.org](http://indianlakechamber.org) or call the Chamber office at 843-5392.

**Summer Kick Off  
Steak Fry on May 14  
Don't forget!  
at 6 p.m. at the  
Huntsville Event  
Center. If you don't  
have your ticket, call  
the Chamber Office.**

The Indian Lake Area Chamber of Commerce invites you to enjoy one of the finest fireworks shows in Ohio on Saturday, July 4 (rain date July 11) at 10 p.m.

Each year the show becomes bigger and better. We predict more than 30,000 will watch the fireworks. In order to continue with the tradition of fantastic fireworks, we need your financial support. Putting together a quality fireworks show is an expensive proposition. In addition, the event insurance has increased significantly. The goal is to raise \$27,000.

Please help us continue to have a successful Fireworks Show. There are five levels of sponsorship: Presidential - \$1000 or more; Major Sponsor - \$500 to \$999; Blue Ribbon - \$300 to \$499; Patron - \$100 to \$200; and Contributor - any amount is appreciated. Please mail your donation to the Indian Lake Area Chamber of Commerce, P.O. Box 717, Russells Point, OH 43348. Your donations are greatly appreciated!

## State of Ohio and Huntington Bank Launch \$1 Billion Partnership to Grow, Retain and Attract Businesses and Jobs

Huntington Bank and the State of Ohio announced on May 6 a groundbreaking three-year, \$1 billion public/private lending partnership to attract, retain and grow businesses and jobs within the state. This announcement represents the first partnership in a statewide program to strengthen the link between Ohio businesses and the banking community. The Ohio and Huntington Job Growth Partnership throws a \$1 billion lifeline in new credit to small to medium-sized businesses struggling in the face of the sudden contraction in credit availability and economic activity that began in 2008.

Through the partnership, Huntington Bank will commit to fund \$1 billion in new loans over three years to Ohio businesses.

"Ohioans will benefit from Huntington Bank's idea to partner with the state to help businesses grow and create jobs here in Ohio," said Governor Ted Strickland.

Business owners can obtain information about the Ohio and Huntington Job Growth Partnership through a toll-free hotline, 866-644-9786.

## Ribbon Cuttings

**TFG Combat & Fitness**  
115 E. Lake St.,

**Dayton Power and Light** is providing a series of energy efficiency rebate programs for their commercial, industrial and government customers. The programs provide financial incentives for new energy-efficient equipment purchases, facility modernizations and industrial process improvements.

Only DP&L non-residential distribution customers are eligible for Rapid Rebates. Any eligible customer may submit an online application. There is no limit to the number of applications that can be submitted although DP&L encourages customers to consolidate applications whenever possible. Each metered point on DP&L's system will be treated as a separate customer for the purposes of calculating limits under the Rapid Rebates Program.

Visit the DP&L website to find out how your business can benefit for the Rapid Rebates Program at [www.dpandl.com/bizrebates](http://www.dpandl.com/bizrebates).

## Attention Chamber Businesses

Drop your company brochures off at the Indian Lake Chamber Office so we can stock the brochure holders located at the office and the Chamber's kiosk located in Fisher's Flea Market. It's a great way to advertise!

## Horsepower and Other Recent Law Changes Effective Immediately

Senate Bill 271 included changes to some Ohio boating laws to help enhance boating safety and enjoyment:

- A "slow tow" provision will permit boaters to tow ski tubes and other towables at a slow pace in areas outside of the designated speed and ski zones, primarily in the interest of safety. This provision will create additional recreational opportunities for individuals who are physically unable to manage or do not desire the higher speeds of open zones.
- Establishes "failure to control" as an enforceable boat operator rule. Many accidents occur as the result of operator inexperience or the forces of nature. These are not the result of a "rules of the road" violation or caused by reckless operation, but may result in minor property damage or injury. Examples of situations encompassed by the "failure to control" law include: over-compensation in strong winds or currents, loss of steerage on jet boats when the throttle is released, and attempting to maneuver under sail power alone through congested areas like marinas.
- Creates a "no wake zone" around boats actively engaged in public service, including law enforcement, fireboats, search and rescue teams, dredges and towing services. This is similar to the law requiring motorists to proceed with caution and change lanes or slow down when approaching a stationary

public safety vehicle displaying an emergency light.

- Approves the children's swimsuit-style life jacket as an acceptable lifejacket for children who are required by law to wear a lifejacket (children under 10 on boats under 18 feet, in Ohio). The swimsuit-style personal flotation device was approved by the U.S. Coast Guard several years ago and is designed to be more comfortable and better suited to the activities of children participating in family boating. These PFDs are considered to be "Type V" lifejackets, which the old Ohio law did not explicitly allow for children.
- Allows for the transfer of electronic titles for outboard motors. This provision reduces the time it takes to transfer titles by preventing the need for a watercraft dealer to first issue a physical title.

For more information, visit the ODNR's website at [www.dnr.state.oh.us](http://www.dnr.state.oh.us).
